

# ***MEADOW RIDGE PERENNIAL FARM***

**Meadow Ridge** is a small perennial farm nestled at the base of Mt. Marie on Back Street in Hebron, Maine. Along with our fresh cut flower bouquets, we are pleased to provide our customers with hardy perennials and beautiful flowering shrubs for all seasons of gardening. Our perennials are hardy plants over-wintered at our farm to ensure their survival in your gardens through frigid Maine winters.

**Meadow Ridge Perennial Farm CSA** members receive weekly mixed flower bouquets from mid-June to the first frost in early October. Our subscribers see an ever changing array of blooms from week to week throughout the growing season. Subscribers may pick up their weekly bouquets from one of two locations (see registration form for details). Please complete the registration form on this brochure, and return it to us with your check or money order, to reserve your weekly bouquets.

Subscribers will also receive a 10% discount on all additional bouquet purchases throughout the season.

## **Subscription Information**

- Bouquets usually start in mid-June and end with the first frost
- Only the freshest stems are used
- All flowers are no more than 24 hours old
- Your satisfaction is guaranteed
- Price includes Maine sales tax

Our cut flower beds consist of a combination of perennials, spring and fall planted bulbs and annuals. This combination of plants allows us to have beautiful flowers for cutting throughout the growing season.
